Bitter Truths About Pianos

high idea of musical art. but, uning money seems to be changing Piano. Today hundreds of so-called pianos are run through the factories like lawn mowers-pianos made for the trade (with the name of the real maker hidden), who stencil their own name on them and claim authorship to a great artistic instrument. A cheap "bargain" price baits the unfortunate purchaser, who soon starves his very soul for the want of the real music which he never gets. If you want a truly genuine Ar-
